

The image shows a decorative panel with a textured, light-colored background. A prominent feature is a coral tree with a thick, reddish-orange trunk and several branching, thinner branches extending upwards and outwards. The base of the coral tree is planted in a small, light-colored, rounded pot. This pot is placed on the back of a turtle, whose shell is visible in the lower half of the frame. The turtle's head is turned towards the left, and its eye is clearly visible. The overall composition is centered and balanced, with the coral tree as the focal point.
